

Healthy Living Mini-Grant OVERVIEW

Chronic Disease accounts for more than half of deaths in Travis County. The good news is that healthy eating, physical activity, and living tobacco-free can help prevent chronic disease.

Never applied for a grant before or need additional help? Free technical assistant is available for grant basics and questions, Tobacco Prevention and Policy, and Breastfeeding Support.

Email MiniGrant@austintexas.gov to set up a meeting before you apply.

Austin Public Health is looking to award mini-grants for projects to promote healthy living in Austin and Travis County during the 2022-2023 Fiscal Year. Projects should address health disparities by reaching people who face higher rates of chronic disease. Mini-grants up to **\$2,500** will be awarded to eligible organizations with a focus on making a lasting Health change.

Projects must focus on one (or more) of these seven topics:

- Active Living (Physical Activity)
- Tobacco-free Living
- Healthy Eating
- Community Gardens
- Healthy Food Access
- Breastfeeding/ Chestfeeding Support
- Overall Wellness

For ideas and inspiration for your project, go to

<http://www.healthypaceshealthypeople.org/mini-grant-projects/> to see past projects and ideas

Example Projects Ideas (These are just a few examples, so feel free to be creative!)

- **Active Living (Physical Activity):** Changes to parks, playgrounds, and trails to promote active living.
- **Tobacco-free Living:** Curriculum/training resources for prevention or quitting tobacco/e-cigarettes, tobacco-free policies at worksites or multi-family housing, signage to support policies.
- **Healthy Eating:** Changes to vending machines to add healthy items, projects to reduce sugary drinks, worksite wellness policies, projects to increase access to drinking water, changes at schools, childcare centers, and after school programs to promote healthy eating, virtual nutrition programs
- **Community Gardens:** New or expanded community, church, or school gardens.
- **Healthy Food Access:** Improvements to food pantries to provide more healthy foods (such as fruits and vegetables), creating new access points in the community for healthy and fresh foods, especially fruits and vegetables.

- **Breastfeeding Support:** Mother-friendly policies at worksites or faith communities; new or improved breastfeeding rooms/spaces
- **Overall Wellness:** Preventative services, projects addressing mental health, or projects to develop or expand health ministries within faith communities to prevent and manage chronic disease.

Who Can Apply?

- Nonprofit organizations in the following categories: faith-based organizations, community-based organizations, and childcare centers
 - Tax-exempt organizations under Sections 501(c)(3) or 170(b)(1)(a)(vi) of the Internal Revenue Code and units of government.
- Public Schools and universities
- Government entities

****Organizations can apply in multiple focus areas but will only be awarded for one grant up to \$2,500**

What are the requirements?

- Programs or services must be provided in Austin and/or Travis County
- Projects must focus on reaching people at greater risk of chronic disease in vulnerable populations. Some examples of vulnerable populations are low-income populations, LGBTQ + communities, older adults, people living with disabilities, and racial/ethnic groups.
- Projects must fit within the health 7 focus topic areas listed on first page of this overview.
- Austin Public Health (APH) may give priority to projects in the following zip codes that have higher rates of poverty, 78617, 78702, 78719, 78721, 78723, 78724, 78725, 78741, 78742, 78744, 78752, 78753, 78758. However, APH welcomes projects in all Austin/Travis County zip codes.
